Alternative School Operations at Cherrybrook Technology High School

Dear Parents/Carers

During the course of this week, the school has been severely impacted by COVID-19, with large numbers of students and staff absent each day. Consequently, the Department of Education has determined that students of the school will temporarily revert to learning from home on Friday 18 March and Monday 21 March. It is anticipated normal lessons will resume at school on Tuesday 22 March.

Students will have their work posted on Canvas by class teachers and will need to follow their usual timetable and complete all assigned work.

Year 12 AP3 examinations will continue to be held at school and it is expected all students will attend their English examination on Monday 21 March, where they will be supervised.

The best place for our students to learn is in the classroom, but the safety and wellbeing of our students and staff is the department's number one priority. We will continue to monitor the situation and advise you if there is any change to the above details.

We appreciate your understanding and thank you for your ongoing support.

Yours sincerely

Gary Johnson
Principal
