CHERRYBROOK TECHNOLOGY HIGH SCHOOL

Term 4

Week 5A

7 November 2014

PRINCIPAL'S REPORT (ReI)

HSC Finishes

Cherrybrook Technology High School Year 12 students breathed a sigh of relief this week as they completed their final HSC exams. Subjects held this week included visual arts, food technology and history extension and the final exam, French extension. Students can now complete the signing-out process and return their text books, as the countdown to the release of results begins. We hope to see them all at the BBQ, held on Thursday 18 December 2014, to celebrate these results.

HSC students can now access their assessment rank orders, for each of their subjects, via Students Online. They should login to their secure personal account and visit the 'My Details > Assessment Rank' section. Students have been advised to check their rank orders in each of their courses and to contact the school if they have any questions.

The Horizon Report - Emerging Technologies and Their Impact on Education

As we all come to terms with the speed and diversity of technologies and their impact on schools, teachers, parents and students, the library has provided a précis of this interesting report.

The annual Horizon Report identifies and describes emerging technologies likely to have an impact in education worldwide over the next five years. There is a focus on the personalisation of learning for students and authentic learning experiences. Six trends have been highlighted in the report.

Short term trends (1-2 years)

- Rethinking the roles of teachers
- Shift to deeper learning approaches - students learn by doing

Mid-range trends (3-5 years)

- Increasing focus on open educational resources
- Increasing use of hybrid learning designs

Long range trends (5 or more years)

- Rapid acceleration of intuitive technology
- Rethinking how schools work

In addition, the report looks at significant challenges impeding the adoption of educational technology in schools, and important developments in technology such as BYOD and learning analytics. It also explores the repercussions for policy, leadership and practice, which have potential implications for all staff (not just teachers) who work in schools. This report may be of interest to some parents and a full transcript can be found at <http://www.nmc.org/horizon-project/horizon-reports>

Retirement of Marianne Bonnor

Last Friday was the last day of school for an exceptional teacher. Mrs Bonnor has made an outstanding contribution to our school as a classroom teacher and Head Teacher Mentor. Mr Henry, Head Teacher English, in his speech at morning tea, made reference to 'Marianne magic'. This was certainly the case, as she made English come alive for so many students. Her ability to teach to the whole range of students made being in her class a privilege for so many. In her role as Head Teacher Mentor, she helped many young teachers navigate their way through the complex accreditation process. Without exception, they acknowledge the huge contribution Marianne has made in helping them reach their goal. Her expertise in this area has also been recognised, as she has spoken at Principals' Conferences and at other schools.

We wish her all the best in her retirement. May she spend many happy hours with her family, pursue her many interests and we hope, come back to CTHS on occasion to visit.

All My Own Work

HSC: *All My Own Work* is a compulsory Board of Studies, Teaching and Educational Standards unit of work which Year 10 students must fully complete before they enter Year 11. The program is designed to help HSC students follow the practices and principles of good scholarship. It was designed as part of the State Government Respect and Responsibility strategy. There are five compulsory modules including, scholarship principles and practices, acknowledging sources, plagiarism, copyright and working with others. Year 10 students must log on to the *All My Own Work* site through, Cherrybrook Technology High School Moodle, and enter the password given to students. This will bring up a PowerPoint presentation on each of the modules. Students must read the information and complete the quiz, attaining a mark of over 80% in the 30 minutes set-aside for each module. This must be

completed by **MONDAY 1 DECEMBER 2014**. Students who have any problems must see Ms Adamou as soon as possible. Parents have been emailed with all relevant information and we ask for your support in ensuring this is completed by the date listed above.

Year 12 Jerseys

Year 11 received their jerseys at the recent Year 11 Assembly on Tuesday. The new design is very impressive and students were pleased with the result. A reminder these jerseys form part of the school uniform with a shirt and tie worn beneath them. Hoodies are not to be worn underneath these jerseys.

Mrs Bevan

Environmental Assembly

Our first assembly for Term 4 focused on environmental initiatives within the school. Students from the Environmental Group addressed the importance of recycling waste correctly and our guest speaker from Cleanaway, Theresa Troup, spoke on the issues regarding contamination of recycled waste. Our Environmental Leaders helped the Cleanaway staff demonstrate which bins should be used, depending on the type of waste being disposed of. Our co-mingled recycling bins will be redistributed around the playground in the near future. It is hoped students will support this initiative, thereby diverting waste from going to landfill.

The Music Ensembles also made an appearance at this assembly, with Guitar Ensemble students, Ben Salmon, Sanjeev Desai, Adam Tan, Isabel Ross and Zac Price, performing *We'll be Coming Back*, as well as Ryan Ghodsi, Year 8, playing *Pirates of the Caribbean* on piano.

Thank you to Mr Webb and Mrs Penhall for their organisation of this assembly.

Mr Clements

Theresa Troup with Mr Webb and students

Social Justice World Vision Presentation

Following the incredible work of our students and community, the school was presented with the highest award by World Vision at a recent assembly. We raised a five year record of \$11,000 for the 40 Hour Famine. Rebecca Cochrane, a World Vision representative, thanked students for their generosity and compassion. The funds raised will be used to improve the living standards of Rwandan children who are going hungry on a daily basis.

The following students were mentioned for raising over \$500: Anushka Dongre, Haarani Gobishankar and Stella Hendrawan. Also Rohan Asija, Henry Chan, Timothy Cheung, Brinda Kumar, Nakulan Ramamurthi, Adam Tan and Darcey Thompson, for raising over \$250.

Ms Tager, Social Justice Committee

What Do You Hear in the Seashell?

This piece was inspired by the work of renowned Australian cartoonist and writer, Michael Leunig, and performed by the Year 7 Drama Ensemble at the recent Environmental Assembly.

Preparing the performance was a learning experience for us all. We knew about some of the issues affecting our environment, but we all learned something new. Some learned that mangroves are important for filtering rubbish from our waterways while others learned that the bee population is in danger of being infected by a deadly virus. We all thought about the problem of children innocently collecting shells which should really be left where they belong, in the rock pools where they are found. I learned about the problem of whales and turtles choking on plastic bags which they think are tasty jellyfish.

We hope that at least a few of our words resonated with each member of the audience and that we can all make a little more effort to preserve our environment. I know my aim is to remember to take my reusable green bags to the shops instead of bringing home so many plastic bags.

Mrs Cunningham, Drama Tutor, Year 7 Drama Ensemble

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8:30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

Year 8 Food Technology

My Restaurant Rules is a fun program for Year 8 where they get to design a concept for a restaurant in the local community. For the practical assessment, students worked in groups to make and present a main meal and dessert. Ms Corbett was the honoured guest judge who tried an assortment of the lovely dishes. The students did a fantastic job and were happy with the results.

Ms Hankin

Australian String Orchestral Festival 2014

Another amazing achievement by the Music Ensembles. On Sunday 2 November, the Cherrybrook Technology High School String Ensemble participated in the annual Australian String Orchestral Festival winning a silver award in the Loreta Fin event. This was a memorable and educational experience for our string players travelling to Abbotsleigh as they shared their maturing talents with other youth string orchestras. Congratulations to the students' excellent performance and enthusiastic commitment. Furthermore, special thanks to the String Director, Jacky Ng, for his time and effort in this musical venture.

Mrs Lee, Music Ensembles Supervisor

CLOTHING POOL

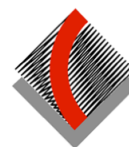

CHERRYBROOK TECHNOLOGY HIGH SCHOOL UNIFORMS

If you would like to purchase second-hand Cherrybrook Technology High School uniforms, First Cherrybrook Scout Group operates a clothing pool for your convenience.

First Cherrybrook Scout Group clothing pool operates through the kind donations of Cherrybrook Technology High School families. All donations of CTHS uniforms will be happily accepted. Please contact Anthony on 0427 661 689 to arrange a drop-off.

Opening Times:
First Thursday of each month
during school terms
between **7:15pm & 8pm**
First Cherrybrook Scout Hall
Appletree Drive, Cherrybrook

WEEKLY SPORTS REPORT

Upcoming Events:

- The school Swimming Carnival will be held at Homebush on Wednesday 26 November. **This is a compulsory day for all students.** It's a fun day to spend with friends by the pool and earn points for your house. Get practising and ready to compete!
- The school Sports Assembly will be held on Thursday 4 December. Students please check your name is on the sheet for Age Champion, Best and Fairest, Sydney North Representative or CHS representative. This will be found on the notice board outside the PE staff room in the next few days. If there are any problems please speak to one of the PE staff.

Grade Sport:

Well done last week to all grade sport teams, it was a successful week against Chatswood. Get ready this week and bring on the fierce competition for semi finals. Good luck to these teams in the semi finals:

Boys: Basketball opens, Cricket A, Frisbee A, Handball B, League 7's 16/17's, League 7's 14/15's, Speedway A

Girls: Basketball A, Frisbee B, Handball A, Speedway A, Soccer 7's A

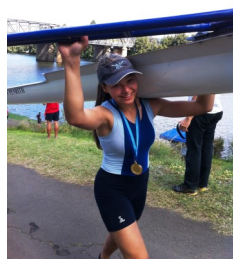

Mixed: Volleyball A and Volleyball B

Congratulations to...

- Raquel Cuevas, Year 9, who won gold medals in the Head of the Nepean and Head of the Shoalhaven Regattas, single and double skull rowing, and will be representing Cherrybrook Technology High School in the NSW Schoolgirl Head of the River Regatta
- Konrad Cuevas, Year 8, who was awarded gold at the State Athletics Competition and has qualified for the Australian All Schools Competition in December.

BLUE STAR

WHAT'S INVOLVED

BLUESTAR CITIZENSHIP
Introductory program including 20 hours volunteering...

- ◆ Cert I Volunteering
- ◆ First Aid Certificate
- ◆ Bushwalking and Camping

BLUESTAR LEADERSHIP
Leadership development program including the delivery of an activity project at local PCYC.

- ◆ Certificate II Community Recreation
- ◆ 30 hours Volunteering at PCYC
- ◆ Leadership training

YOUTH REPRESENTATIVES
Individual mentoring for development opportunities.

- ◆ Youth Rep on PCYC Board
- ◆ International One Young World Summit

BLUESTAR is a Youth Development and Leadership program created by PCYC to assist in creating "Young Leaders for Tomorrow" in our local communities. The program gives practical, real life skills that young people can apply to work, and family, helping them on their way to becoming great community leaders.

BLUESTAR CITIZENSHIP PROGRAM

The BlueStar Citizenship program is the first step in the Leadership Journey for young people at PCYC.

The program introduces them to PCYC and gives them both formal and informal training opportunities. In addition to this they get the chance to meet young people from all over NSW, and form friendships to last well into the future.

WHAT'S INCLUDED:

- ◆ Two camps at a Sport & Recreation style facility.
- ◆ Motivational workshops and experiential learning exercises.
- ◆ 20 hours of volunteering at their local PCYC
- ◆ Opportunity to complete the Duke of Edinburgh Award—Bronze level.
- ◆ Facilitated Learning sessions on Citizenship.

PCYC POLICE CITIZENS YOUTH CLUBS

WWW.PCYCBLEUSTAR.ORG.AU

PCYC CORE VALUES

CITIZENSHIP
Work to achieve the best for your community.

RESPECT
Respect yourself and others.

COMMITMENT
Be determined and see things through.

INTEGRITY
Live out your values.

RESILIENCE
Look for the positives in every situation.

BLUESTAR LEADERSHIP PROGRAM

The BlueStar Leadership program is the next stage of the program which helps young people to become Young Leaders within their community, and gives them the tools to develop and lead an activity project at their local PCYC.

The program gives them the opportunity to be a young leader at Citizenship camps in the future, and experience the role of a young leader amongst peers.

The Leadership program supports the your person remain actively engaged with their PCYC, and helps them be a role model to younger children, as well as strive for their dreams and ambitions.

WHAT'S INCLUDED:

- ◆ Two camps at a sport & Recreation style facility
- ◆ More advanced Leadership training and mentoring
- ◆ 30 hours volunteering at their local PCYC
- ◆ Be mentored to develop and deliver an activity project at the PCYC.
- ◆ Opportunities to lead other young people at the Citizenship camps.
- ◆ Feel a sense of satisfaction, having made a contribution to the local community.

PCYC YOUTH REPRESENTATIVES

Graduates of the BlueStar Leadership program are eligible to nominate to become a PCYC Youth Representative. Youth Reps are appointed for a term of 12 months and have some amazing opportunities to gain experience in a variety of public roles, and represent PCYC, their family and their community and functions and conferences around the State and around the Globe.

The Youth Reps have the opportunity to provide regular feedback on current youth issues and perspectives, and recommend ways PCYC can improve it's service to engage young people and address priority issues into the future.

In this role young people have the opportunity to not only share in some amazing life experiences, but also 'give back' to their community through ongoing support of the PCYC BlueStar programs.

WHAT'S INVOLVED:

- ◆ Opportunity to present to the PCYC Board of Management on matters affecting youth.
- ◆ Opportunity to represent PCYC at a variety of conferences and functions, to present on youth issues and priorities.
- ◆ Represent PCYC by attending the One Young World Summit (international).
- ◆ Opportunities to lead other young people at the Citizenship camps.
