

DEPUTY PRINCIPAL'S REPORT

Student Executive and SRC Representative Elections

The 2018-2019 elections to determine our Student Executives, as well as the SRC Representatives for each year group, occurred on Tuesday. Following an exhaustive process, which involved preparing a detailed Curriculum Vitae, presenting a prepared speech and answering a range of unseen questions in front of a large audience of parents, staff and students, our new School Leaders for 2018-2019 have been determined. These students and their elected roles are listed below.

This team of Leaders will take up their roles early in Term 3 allowing our current Year 12 Leaders, who have done an absolutely outstanding job, to focus on their studies as they move towards the HSC examinations. The formal Induction Ceremony for the new Leadership Team will occur on Friday 3 August (Week 2 of Term 3) where family and friends will be able to join with us in celebrating the above students' achievements.

School Captains:	Elizabeth Miezis & Daniel Monteiro	Stage 5 & Social Justice Representatives:	Eloise Cansdell & Jayan Pascoe
Vice Captains:	Narin Onay & Tendai Gezimati	Stage 4 Representatives:	Courtney Trumper, Sewmini Malalagama, Daniel Lui & Ashley Eaton
Principal's Representatives:	Gabriella Monardo & Shaariq Ali	Environmental Representatives:	Karthika Menon & Keshmira Vijayan
International Relations Representatives:	Manaal Mirza & Redah Sheriff	SRC Public Relations Representatives:	Jennifer Lee & Adam Bourne

2018-2019 Student Executives

Rite of Passage Canyoning Excursion

On Monday our Rite of Passage boys' group ventured to the Blue Mountains to undertake a canyoning/abseiling challenge. They had to brave some very chilly conditions, but from all reports they thoroughly enjoyed the planned activities. Mrs Gatt was invited by the group to also attend and found the experience a great bonding opportunity. A more detailed report of the outing will appear in this *Network*. A big thank you must go to Mr Pedley-Smith and Mr Fairclough for their organisation of the activity for the boys.

Stage 5 Subject Selection Evening

On Tuesday 26 June, our Year 8 into 9 Subject Selection Evening is being held at 7pm in the MPC. This is a most important night for students and parents as it is an opportunity to learn more about our elective system, with details of how to select courses being provided. We look forward to seeing you on the night.

Trivia Night

I would like to publicly recommend the CTHS Trivia Night which will be held on Friday 29 June at 7pm in the MPC. This event has been well supported by the community in the past and is an enjoyable night for all those who attend. Tickets are available via the CTHS website and are selling fast so you will want to get in quick! See the flyer within this week's *Network* for further information about this event.

ABC Kids TV: Teenage Boss - with Mr Woo

On Thursday we had a visit from the ABC TV crew to record an episode of Mr Woo's new children's TV Show, *Teenage Boss*. The show looks at how families cope when their children are put in charge of the family budget for a period of time. A great opportunity for children to use their numeracy skills! Mr Woo tells me there are some very funny moments which are well worth watching. In addition to the episode being taped, the audience, comprising our 7T students and thirty Year 6 students from John Purchase Public School, were also involved in a taped Q&A session with Rad from the ABC Kids TV show, *The Good Game* and a WooTube Maths lesson conducted by Mr Woo. Our 7T students were very excited to be a part of this opportunity. *Teenage Boss* premieres at 6.25pm, Sunday 24 June, on ABC ME and ABC iview.

World Refugee Day Assembly

Our whole School Assembly this week was themed in recognition of World Refugee Day, which was observed on 20 June. Last week I had the pleasure of attending the Australia for UNHCR Breakfast with a group of staff and students from CTHS. The Assembly followed on from this excellent event recognising the plight of refugees and the crisis which exists given the sheer numbers of people forcibly displaced around the world today, approximately 68.5 million. We invited Ms Zimmermann from Australia for UNHCR and two guest speakers, who spoke at the breakfast in the city, Ms Afahar and Ms Hagob. Both of these young women spoke from the heart about their experiences of living in Syria, whilst the war raged around them, in what was a very raw and touching account of the atrocities they have witnessed. Following on from this, a morning tea was organised to thank our guests for their contribution to what was an outstanding Assembly. Feedback from both staff and students about the Assembly was extremely positive. A huge thank you must go to Mr Murphy, who is a long time supporter of Australia for UNHCR and their work and was instrumental in organising the Assembly content and the involvement of our special guests.

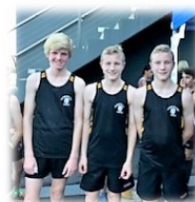

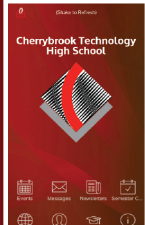

Congratulations to...

- The following students, who participated in the Under 13s Sydney North Cross Country Carnival at Gosford today and qualified for the Combined High Schools Carnival. Lachlan Dewar, second, Corey Dewar, third, Alexander Mills, fifth.

A full report will be included in next week's *Network*.

Rite of Passage Canyoning Day

On Monday 18 June, we set off at 6am to the Blue Mountains to go canyoning for the day. When we got there we had some breakfast, prepared by the boys, then started our 3km bush walk to the canyon. The walk to the canyon was amazing and, at a point when you looked out to your right, there was a view of the mountains and canyons. Also when you walked you could hear all the birds chirping.

Riko Schultz, Year 9

When we arrived at the canyons the instructors set up ropes for us to abseil down. The first abseil was about 15m down into a canyon with three more ahead of us. As we got to the bottom of the fourth canyon we had our lunch, which a group of the boys made for all of us, and walked about 1km to the fifth and final abseil. It was about a 30m deep canyon. Access was through a tiny gap in the rocks and we had to twist and turn to fit in. It dropped 30m straight down into a very dark cave and personally, this was the scariest one. After all our boys and the four teachers made it back out of the cave, we trekked the 4kms back to the vans with lots of rocky mountains and steep ascents. At one point we were literally scrambling up the rock face. Although the day was quite physically and mentally challenging, it was a great opportunity for many of the boys, including Riko and myself, to overcome our fears and learn that sometimes when we start something, there is no other option but to finish. Basically, it showed us that if we start something we have to move forward and do whatever it takes to finish the task at hand.

Marcus Rickerby, Year 9

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 must have their early leave notes signed by a member of the PE staff before presenting to the office.

PROCEDURE FOR SICK STUDENTS

Students who are sick during class should see a teacher for written permission to go to sick bay. They must present themselves promptly to the **front office** and politely follow instructions from the office staff, who will then contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents in the first instance. **Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc.**

Mark Donaldson VC House

Stepping into the Nursing Home, the Guitar Ensemble, Choir and String Ensemble were initially sheepish and uncertain of this seemingly unfitting venue for a musical performance, but they soon warmed to the hospitality of the aged care facility and greeted the residents enthusiastically. Under the leadership of their new Directors, the Ensembles played to a high standard, notably lifting the residents' spirits. Swaying and clapping to the classics, these elderlies showed they were young at heart with some even singing along!

Wowing the crowds with their performances, our Ensemble students were applauded, their entertainment greatly appreciated. The unequivocal highlight of the day for students was the discovery of a cafeteria with plenty of hot chips and refreshing cold soft drinks. What a treat!

Overall, performing at the Nursing Home was an enlightening experience for our students and they'll definitely be back next year.

Mrs Lee, Music Ensembles Supervisor

THE CTHS TRIVIA NIGHT

Friday 29th June

Time: 7pm
Venue: CTHS MPC
Cost: Individual tickets - \$15, Table of ten - \$120

BYO nibbles. Non alcoholic drinks will be available for purchase on the night. Cash only. This is a strictly alcohol free event.

Please come along for a great night in support of the Smiling Hearts Association for Children (SHAC) Cambodia.

Tickets: <https://www.trybooking.com/book/event?embed&eid=384312>

CAREERS UPDATE

Community Service as Important as ATAR for Year 12s in ANU Overhaul

In a new scheme designed to diversify the university's ranks, school leavers will be asked to meet a minimum threshold of community service and extra-curricular activity such as working part-time, playing sport or volunteering, on top of achieving the right score for their degree.

ANU Vice Chancellor, Professor Brian Schmidt, said students were more than "just a score" and had unique skills on offer from time spent volunteering, working part-time, excelling in sports or performance or participating in student leadership.

You can find out if you meet the tests here <http://www.anu.edu.au/study/apply/new-admissions-for-2020/co-curricular-or-service-requirement>

Northern Sydney Apprenticeship EXPO

Chatswood, 16 August, 3.30pm - 6.30pm. Notre Dame University, Sydney Early Offer Applications for Semester 1 2019 are due 31 July 2018

Current Year 12 students, who have demonstrated academic excellence and/or are making a significant contribution to their school or community, may want to consider an early offer application to Notre Dame University. Such an offer would mean they can sit their Year 12 exams with added confidence and reduced stress.

Find out more: <https://myfuture.edu.au/partners/details?id=university-of-notre-dame#/>

Science Experience Dates

The ConocoPhillips Science Experience is a fun three or four days of Science activities for Year 9 and 10 students in the 2018 program year. The program provides information about further studies in Science, Technology and Engineering. It highlights the wide range of careers which allow students to pursue their interest and abilities in the Sciences.

Apply as early as possible to make sure you don't miss out.

What is an apprenticeship?

Apprenticeships generally last four years and cover traditional trade areas.

An apprenticeship is the time spent learning a skilled trade under a qualified tradesperson.

You'll learn on the job under your supervisor at your place of work, as well as off job training with a training provider. Generally apprentices attend TAFE one day per week.

On completion of an apprenticeship you will obtain a trade certificate.

Enrolment fee is paid by ATC.

Types of apprenticeships:

- Horticulture • Engineering • Commercial Cookery • Carpentry
- Electrical • Plumbing • Refrigeration/Air-conditioning
- Landscape Construction • Greenkeeper • Farrier

And many more...

What is a traineeship?

Traineeships cover a wide range of occupations and the training is usually shorter lasting between one to two years.

A traineeship is the time spent learning a job (or vocation) under a supervisor.

You learn on the job under a supervisor at your workplace as well as off the job with a training provider.

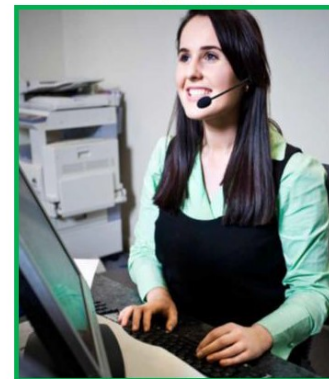

Types of traineeships:

- Business Administration • Education Support • Childcare
- Sport, Fitness & Recreation • Information Technology
- Warehousing • Business • Telecommunications • Aged Care

And many more...

Carpentry Apprenticeship

Business Traineeship

Horticulture – Parks and Gardens Apprenticeship

Apprenticeships & traineeships, how do they work?

ATC is the legal employer and responsible for wages, superannuation, leave, workers compensation and all associated paperwork. We will arrange your training and monitor your progress.

ATC matches you with an organisation that needs a trainee. You will be paid to go to work and complete your qualification. You can study at a training facility or complete units on the job.

ATC finds organisations which will provide supervision and a safe, challenging and rewarding work environment for apprentices and trainees.

HOW DO I APPLY?
