

DEPUTY PRINCIPAL'S REPORT

Keeping Kids Safe Online Starts with You - Office of eSafety Commissioner

The Office of eSafety is currently running a campaign titled *Keeping Kids Safe Online Starts with You*. The campaign focuses on parents/carers starting the chat with their children regarding online safety and what they are doing online.

As technology changes so very fast it is important for parents/carers to be proactive and talk about online safety and the things you can do to protect yourself when online. If you are unsure how to start the conversation, the Office of E-Safety Commissioner has many resources, tools and tips to help you break the ice. With our children spending so much time in the online

world it is extremely important we start these conversations and be aware of where our children are in the cyber world.

The following link will take you to resources, tips and tools available to you: <https://www.esafety.gov.au/start-the-chat>

Injured Students

We would like all parents/carers to be aware, it is a requirement of the Department of Education, all injured students requiring crutches, a medical boot or cast, attain a Risk Assessment by the Head Teacher Wellbeing, Mr Hind, **prior** to returning to school after being injured. This assessment ensures students' safety as they move around the school and includes the use of the lift. Please report to the front office on your return and the staff will organise it for you.

We also request you email your child's Stage Head Teacher, stating the nature and details of the injury, by contacting them via the school email address.

Grade Sport Finals

Congratulations to all participants and winners of the Grade Sport Finals held last Thursday. The results are featured in this week's Sports Report.

Air Conditioning/Newly Refurbished G Block Classrooms

The air conditioning of the newly refurbished Science block has begun. The installation of this air conditioning marks the beginning of the process for the entire school. Hopefully, this will mean the rest of the school will be air conditioned sooner rather than later.

Tender Process Initiated for Piazza

A meeting between the school and the Department of Education was held on Wednesday 8 May to discuss the tendering process for the new structure to cover the Piazza outside the Multipurpose Centre. This meeting was very productive and hopefully, in the near future, the tendering process will be able to begin.

Stage 5 Parent Teacher/Night

Parent/Teacher Night for Stage 5 (Years 9 and 10) was held on Tuesday night this week. The night was attended well with very productive conversations between teachers and parents about their child's achievements and ways to improve. If you were unable to attend on the night or could not get a booking to see a teacher, you can either ring or email the school and request to speak to the teacher concerned.

Operation Art Artworks Selected

We would like to congratulate Yvonne Huang, whose artwork titled *Best Friends*, was selected by Operation Art, which is an initiative of The Children's Hospital at Westmead in association with the New South Wales Department of Education. The Operation Art program provides a forum for schools and students to demonstrate their Visual Arts achievements through exhibitions at the Armory Gallery, Sydney Olympic Park and the Art Gallery of New South Wales.

Yvonne's artwork has now also been selected as the design for the 2019 Festival of Choral Music and Festival of Instrumental Music at the Sydney Opera House, as well as The Primary Proms at Sydney Town Hall. This is an outstanding achievement for Yvonne!

Achieving Together

Principal: Mr G Johnson
Deputy Principals: Mr M Townsend, Mr B Clements, Mrs A Gatt

Email: cths@cths.nsw.edu.au

NAPLAN

A reminder to parents/carers of Year 7 and 9 students, the NAPLAN tests will take place next week. These tests will run over a three-day period, Tuesday 14 to Friday 17 May, with catch-up tests on the last day for students who missed theirs.

It is very important to remember, students can only do their best and should not stress over preparing for these tests. NAPLAN tests are only a **snapshot** of students' progress **on the day!**

Mrs Gatt

Japan Study Trip 2019

During the Term 1 holidays, twenty students studying Japanese from Years 10-12, along with three teachers, Ms Wu, Mr Chan and Mr Henry, went on a study trip to Japan. This trip is designed to give students opportunities to experience Japanese culture and apply their Japanese language skills in a realistic context. As part of the trip, we enjoyed the hospitality of our sister schools located in Nagoya, Nagoya Commercial High School and Nagoya Kita High School.

The highlights of this trip included the assortment of cultural activities organised by our sister schools, the homestay and the many impressive landmarks we toured across five cities, including Osaka, Kyoto, Nagoya, Hakone and Tokyo. Included in the cultural activities was the making of Japanese snacks, which both teachers and students enjoyed enormously.

The friendships established during this trip, as well as the rich cultural experience students acquired will stay with them for a long time to come. We hope the experience will also become part of their motivation to learn and develop their understanding of the Japanese language, as well as its culture.

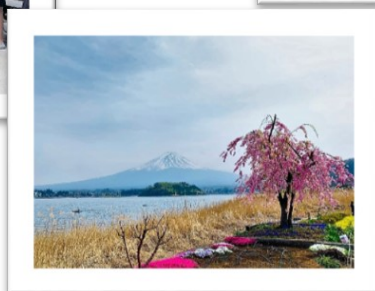

Mr Chan, LOTE Teacher

During the Term 1 Autumn holidays a group of three teachers and twenty students, including myself, embarked on an unforgettable journey to Japan. After all the anxiety and anticipation, we were finally ready to set off on our once-in-a-lifetime, thirteen-day adventure to the land of the rising sun, where only mystery awaits. Alongside our itinerary we were also given extra challenges to complete whilst on the trip. Completing each challenge gave its respective amount of points and by the end of the trip, the people with the most points were awarded prizes from the teachers. These challenges included; speaking only Japanese with Japanese natives for five minutes; coming into possession of a pachinko ball, etc. Unbeknown to us, these were harder to complete than we expected.

Once we arrived in Tokyo, Japan, we caught a connecting flight to Osaka where we started our guided tour of sightseeing and discovering some of the most beautiful cherry blossoms in perfect bloom. Although, the trip came to a rocky turn, one student lost their wallet and, soon after, another lost themselves. On top of that, someone left their passport on the plane, stretching our already tight schedule to its peak! However, as the trip went on, these occurrences quickly stopped.

After a few days in Osaka, we made our way to the ancient capital of Kyoto, where we enjoyed the sights of temples, shrines and delicately crafted castles. After our continued sightseeing adventures, we set course for Nagoya, where we had our four-night homestay, two of which included school days and unforgettable memories coupled with the creation of lifelong friendships. Onwards from there we made our way to Hakone for our one-night stay, then our final destination of Tokyo. After all our money was spent, my body pillow bought and manga left unread, we reluctantly hopped on the plane back to Australia. I loved every little bit of time spent in Japan, time spent with our group and time spent with the Japanese students.

Marley Mulvin Broome, Year 10

CTHS Baristas on the go

On Friday 10 May, nineteen Year 10 students, accompanied by Mr Fairclough and Ms La, attended the Australian Barista School in Sydney to complete a five-hour training course covering the basics of professional coffee machine operation, milk texturing and advanced coffee art techniques. These baristas will be part of our new teams running the Cherrybrook Technology High School coffee shop in Term 2.

Seven of our existing baristas also spent the morning operating a coffee cart at the John Purchase Public School Mothers' Day Breakfast. These students include, Annelies Sannen, Emalee Frahn, Olivia Roberts, Alison Cauwood, Kellie Cauwood, Tharanka Srikanan and Leo Tomosy, who were inundated with orders and kept a steady supply of coffee to their customers. I would like to thank them for their support of this event!

Mr Hind, Head Teacher Wellbeing

School Opal Card, Reminder to Tap on and off Message from Busways School Bus Service

In order to supply appropriate bus services to meet the school's needs, **all students must tap on and tap off with their School Opal Cards when travelling to and from school.**

Opal data, gathered by tapping on and off, is used to determine demand for bus services. If students don't tap on and tap off, services may be cancelled due the lack of recorded patronage.

With this in mind we remind students, tapping on and off at the beginning and end of each trip is one of the conditions of using a School Opal Card.

Please direct all School Opal Card and bus timetable inquiries to 131500.

For school bus service issues contact infoline@busways.com.au or your local Busways depot.

FIRST AID

Please note Cherrybrook Technology High School does not have any medical practitioners on the premises. We provide first aid assistance to students who are unwell or injured. ***Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc***

Careers Update

University Update:

University of Sydney | Scholarships Information Evening

Tuesday 30 July, 6.00pm-7.30pm, University of Sydney, Camperdown Campus. Join us at this event to find out about the range of scholarships available and hear tips to create a successful application. Our current students and staff will also be on hand to answer any further questions you may have. Find out more and register:

<https://www.eventbrite.com.au/e/the-university-of-sydney-scholarships-information-evening-2019-registration-60170700184>

Business Cadetship applications close soon

For Year 12 students who wish to enter the business world, why wait until you finish university to start your career? Apply for a cadetship under the Business Cadetships Program. Business Cadets combine study at the university of their choice with paid work at UBS in Sydney, a top-ranking global bank. Cadets may choose from a wide range of Degrees, including Economics, Commerce, the Humanities, Mathematics and Computer Science and Technology. Under the Business Cadetships Program, UBS will continue to place cadets across the firm. In addition, as part of the Program, the bank intends placing cadets in UBS Group Technology. By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after university. Only current Year 12 students can apply so this is your one and only chance to take advantage of this exceptional opportunity! Applications for the Business Cadetships Program are currently open and close on **Wednesday 15 May 2019**. By this date, both your Application Form and School Assessment are due in. To apply, go to www.businesscadetships.com.au

Spotlight on Careers:

What is forensic science really like?

What's it really like to have that dream job you've been eyeing off? We've found out for you and are busting myths about some hard-to-pin-down careers in STEM. Professor Shari Forbes dishes the decomposing dirt on Forensic Science and it's nothing like CSI:

<https://careerswithstem.com/mythbusting-jobs-forensic-scientist/>

Your plan to become a Psychologist

For Psychologist Tracey McGrath, it's that she loves seeing clients turn their life around. In this article Three psychologists on their love for work and love for life different views are shared here:
