

DEPUTY PRINCIPAL'S REPORT

Year 7 Camp

In what felt like a flashback to last week, Purchase Road was again choking with cars on Wednesday morning, as parents of our 320 new Year 7 students dropped their children off for camp. Many students struggled as they dragged the enormous suitcases, some far larger than the students themselves, into the school grounds.

In what can be a nervous time for parents and students alike, the reassuring smiles from the 40 Peer Support Leaders and eighteen staff, hopefully set minds at ease as the group prepared to depart for Narrabeen Sport and Rec for the three-day camp. After roll call was completed, buses were quickly loaded and the group of close to 400 left without any fuss.

Activities at camp promote teamwork, develop friendships and challenge the participants to try new challenges. It also provides a fantastic opportunity for staff and Peer Support Leaders to get to know our Year 7 students in a less formal setting. Pleasingly, all the students exhibited exemplary behaviour over the three days.

Finally, a note of thanks is extended to the organisers Ms Howard, Mr Hind, Ms Campbell and Mrs Mallison for their organisation of the event and also to the staff who gave up their time to assist, leaving family members, regular commitments and classes behind.

Year 6 into 7 Evening

A reminder, the CTHS Year 6 into 7 Information Night for students in the local area, will run from 6pm-8pm on Tuesday 3 March. The CTHS Principal, Mr Johnson, will highlight the enormous range of opportunities available at CTHS. Current students from Year 7 will recount their experiences and other key staff shall impart valuable information to prospective new families. After the formalities, there will also be a tour of the campus, where visitors will get the chance to hear from KLA (Key Learning Area) representatives about the learning possibilities offered at this leading comprehensive high school. A night not to be missed if you are intending to enrol your child at CTHS in Year 7 for 2021!

Career Mentors' Breakfasts

The first of our Career Mentors' Breakfasts for 2020 begins next Friday 28 February. The mentoring breakfasts provide the opportunity for students in Year 11 to spend valuable time with someone whose career path is one they have identified as being of interest. The program provides students with some real insight into what a chosen career is like and many students begin to develop networks in professions of interest.

Year 12 Parent/Teacher Interviews

Tuesday 25 February will be the first of our Parent/Teacher Interviews for 2020, with Year 12 parents able to make a booking to meet with their child's teachers from 4pm-7pm in the MPC. It is an invaluable opportunity to discuss their progress in this critical final year of study. Year 12 students are also encouraged to attend to learn some strategies they need to implement on their HSC journey. Bookings for the night should be made using the Parent Portal. The booking window opened on Saturday 15 February at 9am and will close on Sunday 23 February at 5pm. Please note, if you have not received an invitation to book interviews, please check the Junk folder in your emails, particularly if you have a Hotmail account. If you still are having difficulty, please contact the school via cths@cths.nsw.edu.au.

School Uniform

The School Uniform Code is particular regarding the types of clothing permitted at school. The wearing of tights/leggings, gym shorts, branded tracksuit pants and shorts are not appropriate nor are they part of our school uniform. The School Uniform Code also specifies the types of acceptable jackets and jumpers for school wear, which does **NOT** include jackets or jumpers with **hoods!** The wearing of a 'hoodie' or activewear, as explained above, is likely to result in time spent in detention. If students need to wear an item of non-school uniform, they must bring a valid, signed note from their parent/carer.

Road Safety

Over the Christmas period, there were alterations made to bus stops in Cherrybrook, notably a change to the stop opposite the school. Unfortunately, this seems to have added more congestion during peak periods and created something of a bottleneck opposite the school.

More concerning is the lack of care taken by students crossing Purchase Road, with several near misses reported by drivers of vehicles. We would like to encourage all parents to have a conversation with their children about safely crossing the road.

Achieving Together

Principal: Mr G Johnson
Deputy Principals: Mr M Townsend, Mr B Clements, Mrs A Gatt

Year 7 Camp

John Purchase Public School Kiss and Drop

A reminder to parents and students, the John Purchase PS kiss and drop area is for JPPS students and their parents **ONLY**.

Please ensure you make appropriate arrangements to pick up your Cherrybrook Technology High School children.

Mr Townsend

Year 8 Drama Incursion

On Monday, Year 8 students, along with Stage 5 and 6 Drama students were treated to a Drama performance entitled *Commedia dell'Arte*, performed by the Matriark Theatre. This deftly delivered piece of entertainment provided our students with the chance to deepen their appreciation of the value of spontaneity and effective teamwork. Thank you to Ms Cannon and the CAPA faculty for their organisation of this event.

OnSTAGE

With so many incredibly innovative and thought-provoking group and Individual performances and projects on show at this year's OnSTAGE, our Year 12 Drama students engaged deeply in stimulating and enlivened debate and discussion following our trip to the Seymour Centre last Thursday 13 February. Richly creative work is what stands to spring from such experiences. Our Year 12 HSC Drama Performance Night on Tuesday 18 August will hopefully boast a suite of grippingly memorable works, but for now, it is a case of rolling up those sleeves and getting stuck into business of invigorated collaboration.

We are looking forward to our 2020 cohort setting the stage ablaze with their compelling creations. So good luck to Bailey Brown, Nathan Jenkins, Isaak Koorey, Holly McRobb, Ben Murzsa, Stephanie Neil, Annalise Pringle, Aparna Sivakumaran, Jason Teng, Ailish van Noppen and Hannah Wotton.

All are pictured in the accompanying photo with the exception of Holly McRobb and Ben Murzsa, who were unavailable to attend this excursion.

Ms Cannon

Correct Procedure When Approaching a Pedestrian Crossing

As you approach a pedestrian crossing or children's crossing where a School Crossing Supervisor is displaying a 'STOP Children Crossing' sign, you must slow down and stop. You may proceed when the School Crossing Supervisor no longer displays the sign in your direction or has indicated it is safe for you to proceed.

Stop signs may be placed at an intersection immediately after a pedestrian crossing. You must stop at the stop sign even if you have already stopped at the pedestrian crossing.

Please Note: If the road beyond a children's crossing or pedestrian crossing is blocked, you **MUST NOT** drive onto the crossing.

Notification of a confirmed case of Chickenpox

Dear Parents / Carers

We write to inform you of a student in our school who has a confirmed case of Chicken Pox. There is an incubation and infectious period prior to the blisters appearing. For your information a NSW Health Chickenpox fact sheet is also included.

If your child has or may have Chickenpox, we ask you to please:

1. **Not** send them to school
2. Notify the Stage Head Teacher as soon as possible
3. Take them to your GP or Medical Centre to confirm diagnosis.

Thank you in anticipation.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Gary Johnson', with a horizontal line underneath.

Gary Johnson
Principal

Chickenpox and Shingles

Chickenpox is a common viral infection that can reappear later in life as Shingles. Chickenpox vaccination is recommended for all infants at 18 months of age. Shingles vaccination is recommended for all adults at 70 years of age.

Last updated: 06 November 2019

What is Chickenpox?

Chickenpox is a viral illness caused by Herpes zoster virus (also known as Varicella-Zoster virus)

In children it usually causes a relatively mild illness but it may reappear later in life as Shingles.

Chickenpox in adults and immunosuppressed people can be severe. Infection in pregnancy can cause foetal malformations, skin scarring, and other problems in the baby.

Before routine childhood vaccination began in November 2005, chickenpox was a very common illness. The incidence of chickenpox appears to have decreased as more people receive the vaccine.

What are the symptoms?

Chickenpox (varicella) begins with a sudden onset of slight fever, runny nose, feeling generally unwell and a skin rash.

The rash usually begins as small lumps that turn into blisters and then scabs. The rash appears over three to four days. At any one time, the lesions of the rash vary in stages of development.

Symptoms usually occur two weeks after exposure to the virus.

Most people recover without complications, but sometimes the infection can lead to serious complications, such as pneumonia and inflammation of the brain. Rarely, the infection can be fatal.

Persons who are previously vaccinated can still get chickenpox. If chickenpox occurs in a vaccinated person it is usually mild and less contagious than in an unvaccinated person.

How is it spread?

Early in the illness, the virus is spread by coughing. Later in the illness, the virus is spread by direct contact with the fluid in the blisters.

The infection is highly contagious to people who have never had chickenpox or who have not been vaccinated.

People are infectious from one or two days before the rash appears (that is, during the runny nose phase) and up to five days after (when the blisters have formed crusts or scabs)

Chickenpox infection triggers an immune response and people rarely get chickenpox twice.

Who is at risk?

Anyone who has not had chickenpox or been vaccinated in the past can get chickenpox.

People with a past history of chickenpox are likely to be immune to the virus. Even adults with no history of chickenpox have a chance of being immune (because of past infection that was mild). Doctors sometimes perform a blood test to see if these people need a vaccination.

How is it prevented?

A varicella-containing vaccine (MMRV – measles, mumps, rubella, varicella) is now recommended and funded for all children at 18 months of age.

Varicella vaccination is also recommended for all non-immune adolescents (>14 years) and adults. This involves two doses, at least 1 month apart. It is especially recommended for people at high risk, for example, health care workers, people living with or working with small children, women planning a pregnancy, and household contact of persons who are immunosuppressed.

People with chickenpox should avoid others (and not attend childcare or school) until at least five days after onset of the rash and all the blisters have dried.

People with chickenpox should cover the nose and mouth when coughing or sneezing, dispose of soiled tissues, wash their hands well and not share eating utensils, food or drinking cups.

Pregnant women should avoid anyone with chickenpox or shingles and should see their doctor if they have been around someone with these illnesses.

Children with an immune deficiency (for example, leukaemia) or who are receiving chemotherapy should avoid anyone with chickenpox or shingles as the infection can be especially severe.

How is it diagnosed?

Most cases can be diagnosed based on the symptoms and by appearance of the rash. Sometimes the diagnosis is confirmed by testing samples taken from the rash or from blood samples.

What is Shingles?

Shingles (also called Zoster) is caused by the reactivation in the body of the same virus that causes chickenpox, usually in adulthood and many years after the initial chickenpox illness.

The illness is characterised by a painful chickenpox-like rash on a small area of skin, usually on one side of the body.

Pain and tingling associated with the rash may persist for weeks or months after the rash has cleared. This is called post-herpetic neuralgia.

The virus can be spread by direct contact with the skin rash of infected people. This causes chickenpox in people who are not immune.

Shingles develops more commonly in people who are immunosuppressed.

How is Shingles prevented?

A single dose of zoster vaccine is recommended and funded for adults at 70 years of age. Adults 71-79 years of age are eligible for free vaccine under a catch up program until 31 October 2021.

People aged 60-69 years are also recommended to have a single dose of zoster vaccine but this is not funded. The exact duration of vaccine efficacy is not known but protection does wane over time. The need for revaccination is not yet determined.

Adults aged 50-59 years are not routinely recommended to receive zoster vaccine, but they can receive it if they want to protect themselves against Shingles.

How are Shingles and Chickenpox treated?

Shingles can be treated with special antiviral drugs such as acyclovir. Your general practitioner can advise on ways to minimise the discomfort associated with the symptoms of infection.

Chickenpox infection usually resolves without treatment.

What is the public health response?

Chickenpox is not a notifiable condition in NSW but the incidence is monitored through the number of patients attending emergency departments and the number of patients who are hospitalised with chickenpox or shingles.

Varicella vaccine protects against chickenpox, even if given up to five days after exposure.

Short-term immunisation with varicella-zoster immunoglobulin (VZIG) - which is made from antibodies in donated blood - can prevent illness in people at high risk of complications. This needs to be given within 96 hours of exposure to the virus to be effective.

People at high risk of complications following exposure include: pregnant women who have not had chickenpox and who have not been immunised; newborn babies, and; some people with immunosuppression due to illness or treatments.

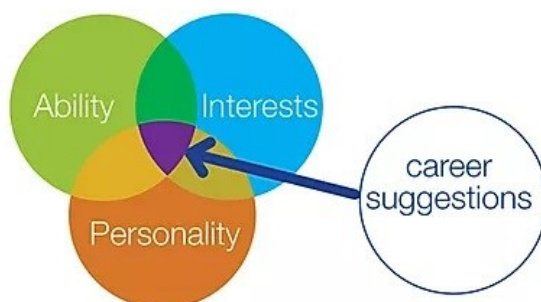

Further information

For further information please call your local public health unit on **1300 066 055** or visit the NSW Health website at www.health.nsw.gov.au

Careers Update

Morrisby Career Profiling Wednesday 4 March

On Wednesday 4 March, students in Years 10, 11 and 12 are able to participate in the comprehensive career assessment, 'The Morrisby Report'. The intention is to provide an objective assessment of your son/daughter's strengths (to be viewed alongside their attainment at school). These results could prove helpful in understanding the direction of your son/daughter's talents and in making subject, course and, eventually, career decisions. Further information and the 2020 Morrisby permission note is now available on the CTHS website via the following link: <https://cths.nsw.edu.au/curriculum/careers/>.

Women In Science Symposium Friday 6 March

The Symposium's aim is to encourage girls in Years 10 and 11 to 'look beyond the lab coats' and see the many varied possibilities available for careers in Science and STEM. Girls who are interested in attending this free excursion to the Australian Maritime Museum on Friday 6 March, please register your interest at the careers office in the library.

Year 10 Work Experience

Year 10 students and parents have received emails detailing the importance of organising Work Experience. Students who are currently in Semester 1 Vocational Education classes will be familiar with the process for organising a placement. Any student who is timetabled for Vocational Education in Semester 2, is welcome to come to the careers office where a Careers Adviser will explain the process.

InspirED's HSC Kickstart Seminars - Macquarie University

Designed to set you up for success in your HSC year, these sessions will give you a detailed, in-depth understanding of what HSC markers are looking for, address key content within each core/module and give you access to potential HSC questions and answers/solutions. Cost: \$25 for 1.5 hours. Register here: <https://inspired.edu.au>

Study Medicine Resource

Free parent information to assist your son/daughter applying for Medicine. Study Medicine has helpful information for parents, including:

- ATAR Scaling Guide: <https://www.studymedicine.com.au/atar-scaling>
- Ten Step Application Guide: <https://www.studymedicine.com.au/10-stepapplication-guide>
- Parents can also understand university deadlines for Medicine applications by reading the latest deadline information: <https://www.studymedicine.com.au/deadline-info>

Are you aged 15 to 17? Do you dream of going to Space Camp?

We have partnered with DJI and DigiDirect to be able to offer two scholarships to our Space Camp Tour 2020. <https://onegiantleapaustralia.com/space-camp-scholarships/>

Mrs Ferguson, Mrs Key and Mrs van der Merwe

Sports Report

Zone Swimming Carnival

The Ku-ring-gai Zone Swimming Carnival will be held on 24 February at Sydney Olympic Park. Any students interested in competing in the 200M Freestyle or Medley Events need to see the PE staff to sign up. Goodluck to all students who will be competing on the day! Please remember to hand in your note to the student window ASAP.

Grade Sport

Our grade sport teams for the summer season have now been finalised and you are no longer able to change your sport choice. Please make sure you are aware of where you are going each Thursday, by checking the grade sport timetable which can be found on Sentral or on the PE noticeboard outside the PE staffroom. Good luck to all students and have fun this season!

Knockout Sport

We would like to congratulate our school's knockout teams who are going onto the next round after winning their respective games. They are as follows:

- Boys' Basketball against Gosford
- Boys' Volleyball against Pennant Hills
- Girls' Volleyball against Pennant Hills

Sydney North School Sport

Thank you to all CTHS students who took part in any of the Sydney North competitions last year. We are so proud to announce we have placed 6th overall out of the school's competition pool, which ranges from the Central Coast down to the Northern beaches. This is a big achievement as we were previously sitting 10th overall. Keep up the good work!

Sport Profile

Each week at CTHS we like to recognise the individual achievements of our high level athletes who often go unnoticed. This week the chosen student is Andrew Koh from Year 12!

Andrew has been swimming since he was five years old and, since then, has achieved high levels of success both in and out of school. Andrew, who specialises in Medley and Backstroke, represented his club, Castle Hill RSL Dolphins, at a State level placing him in the top ten for his age division in four events. He has also recently competed at the Junior Metro North West Senior Time Trials allowing him to compete at Nationals in the 200m Backstroke. Last weekend, Andrew headed to Melbourne to compete in the Victorian Open Championship where he competed against some of the top athletes across the States. Amazing work Andrew, we can't wait to see what the future holds for you!

Upcoming Events on the Sport Calendar

Date	Event	
24-Feb-20	Ku-ring-gai Zone Swimming Carnival	
3-Mar-20	Sydney North AFL Trials	Junior Boys
4-Mar-20	Sydney North Netball Trials	Senior Girls
6-Mar-20	Sydney North Basketball trials	Senior Girls/Boys
9-Mar-20	Sydney North Golf trials	Senior Junior Girls/Boys
17-Mar-20	Sydney North Rugby League trials	Senior Boys
19-Mar-20	Sydney North Football Trials	Senior Boys
20-Mar-20	Sydney North Touch Football Trials	Under 15's Boys/Girls
24-Mar-20	Sydney North Swimming Carnival	
31-Mar-20	Sydney North Lawn Bowls Trials	Senior Boys/Girls
1 to 5-April-20	NSWCHS Swimming Carnival	
8-Apr-20	School Athletics Carnival Full Day	
9-Apr-20	School Athletics Carnival Half Day	

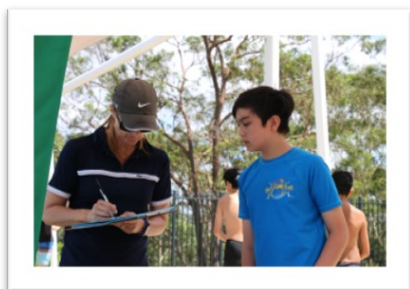

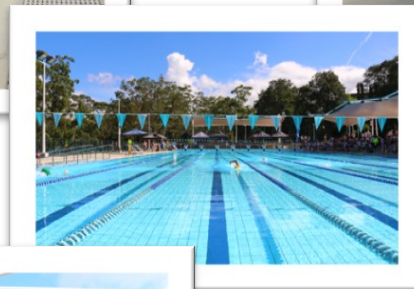

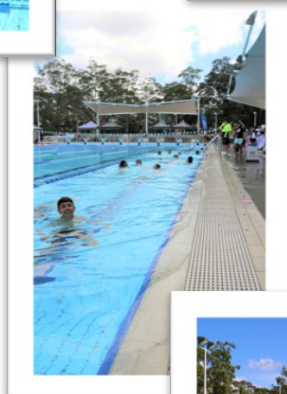

Sports Report

Year 7 Swimming Carnival

The CTHS annual Year 7 Swimming Carnival was held on Friday 14 February at the Hornsby Aquatic Centre and was a great day for all our new Year 7 students to enjoy their first high school carnival! All students enjoyed themselves, with participation and support from everyone. A big congratulations to our winning house of the day, Strickland. Good job to all Strickland students for contributing!

The Sports Executive would like to extend their thanks to Mr Robb and Mr O'Connor who organised the day and oversaw its smooth running. Thank you to all student helpers who volunteered their time by assisting teachers, you guys were great!

Tarryn Galt and Kelly Chapman, Sports Vice Captains

PROCEDURE FOR EARLY LEAVERS

If a student needs to leave school early, they **must** provide a note from their parent/guardian giving reasons for their partial absence. **The student must hand the note in at the student window before 8.30am** where they will be issued with a leave pass. They can then present this pass to their teacher and leave school at the appropriate time.

On Thursdays (sport days) all students in Years 9-11 **MUST** have their early leave notes signed by a member of the PE staff before presenting to the office.

PROCEDURES FOR SICK STUDENTS

Students who are sick during class should see a teacher for written permission to go to sick bay. They must present themselves promptly to the **front office** and politely follow instructions from the office staff, who will then contact a parent/guardian when necessary. Sick bay is used for a short time only. Students should not call their parents in the first instance. **Please be advised the school does not supply any medication, including pain killers, medicated creams, eye drops etc.**

PCYC | Safer Drivers Course For Learner Drivers

PCYC are an accredited provider of the Safer Drivers Course.
Guiding young people in the right direction since 1937

The Safer Drivers Course involves two modules:

Module one: A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of twelve participants and will be delivered by a facilitator.

Module two: A two-hour in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach. Course cost: \$140

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3 for 1 scheme cannot be included.

Participants who complete the course will receive 20 hours credit recorded in their learner driver log book.

To find your closest club or book into the next available course check out our website:

www.saferdrivers.org.au

Call us on 9625 9111 or drop into your local club to find out more

Sick Bay is not a Medical Clinic

If your child is unwell or injured, our First Aid trained staff will administer first aid and care for your child, but our school Sick Bay is **not** a Medical Clinic. CTHS does not have nursing staff or doctors, and with over 2,000 students attending, we do not have the facilities to monitor unwell students for long periods.

Your child's wellbeing is of the utmost importance to us, it is expected that you can make arrangements for your sick child to remain at home or be collected from the school Sick Bay as soon as practicable when contacted.
